PENTAMIX **PORTA 10W/D**

True Mobile Automatic Concrete Batching Plant

- **Model PORTA 10W & PORTA 10D**
- **Kapasitas 10 m³ / Jam**
- **Motor Listrik Made in Italy**
- **Batching System Wet (Drum Mixer) atau Dry System**
- **Pengoperasian Otomatis & Manual**
- **Penimbangan Digital, made in Korea**
- **Standar Dimensi Truck Tronton 4 Roda**

PORTA SERIES

MOBILE WET Or DRY CONCRETE BATCHING PLANT

SPESIFIKASI

Name	Mobile Wet Batching Plant	Mobile Dry Batching Plant
Model	PORTA 10W	PORTA 10D
Batching Type	WET	DRY
Mixer Type	Drum Mixer	No Mixer
Batch capacity	10-14m ³ /h	10-14m ³ /h
Drum rotating-speed	13r/min	13r/min
Max. aggregate size	60-80mm	60-80mm
Water pump motor	0.75kw	0.75kw
Mixer Power	4.5 KW	-
Plant assembly	On heavy duty single chasis	
Total wheels	4 wheels	
Tyre spec.	7.50 – 16 – 14 PR	
Tow facility	Tow bar arrangements for towing and mobility purpose	
Feeder capacity	14 m ³	14 m ³
No of Bin hoppers	Cross Bin 3X3 m ³	
Silo Cement hopper	2x1 m ³	
Gate operating system for feeder	Pneumatic control system	
Weighing system	On suspended belt conveyor digital load cell based weighing system	
Discharge of the material	Through belt conveyor driven by geared motor	
Control panel	PLC based control panel with internal cabling	
Vibrating motor	1 hp vibrating motor in sand bin for vibration

PORTA TS SERIES

MOBILE TWIN CONCRETE BATCHING PLANT

Model	PORTA 10D	PORTA 10D
Water feeding system	Sensor based water feeding system for accuracy	
Cement silo storage capacity	30 bags (1.5 Ton)	
Discharge of the concrete	Screw conveyor based methods for higher accuracy	
Total connected power	30 KW	24 KW
Dimensi	9,5 m x 2.5 m	9,5 m x 2.5 m

Pneumatic system

- Air compressor : Lokal brand
- Air Tank Pressure and Volume: 0.9MPa, 100L
- Motor Power Rating: 5kw

Peralatan termasuk :

- Warranty 1 tahun
- Instalasi (Pemasangan)

Controller & Hardware

Our Product Group

Mechanical Sampler

- Primary Sampler
- Multi Stage Mechanical Sampling
- Rotary Tube Secondary Sampler
- Automatic Rotary Canister

Mining Equipment

- Stone Crusher
- Coal Crusher
- Conveyor System
- Radial Stacker
- Belt Scale
- Truck Scale / Weighbridges
- Laboratory Mining Equipment

Concrete Batching Plant

- Mobile Concrete Batching Plant
- Concrete Mixer
- Semen Silo
- Automatics Control Panel

Industrial Automation

- Industrial Conveyor
- Bulk Weigher
- Pallet Conveyor
- Bucket Elevator
- Logistic Automation Conveyor
- Industrial Automation System

Air Filtering System

- Industrial Dust Collector System
- Mining Dust Collector System
- Laboratory Dust Collector System
